

FIRE PREVENTION & RESPONSE TRAINING

TRAINING BINGO

INSTRUCTIONS: Mark a square when you see or hear it during the training.

First to get 5 in a row (across, down, or diagonal) wins!

CARD 1

B	I	N	G	O
PASS is explained	Electrical safety tip	RACE is explained	Activate the alarm	Small vs. large fire explained
Storage rules mentioned	Alarm pull station mentioned	FREE SPACE	Egress (hallways/doors) mentioned	Oxygen safety
Pull, Aim, Squeeze, Sweep	Rescue step	Scenario question "What would you do?"	Contain the fire	Hospital scenario appears
Fire extinguisher shown	Never leave items in hallway	Sprinkler clearance mentioned	Extinguish if safe	Someone says "safety"
Follow procedures	Patient evacuation method	Fire in hallway scene	Knowledge check question	RACE steps in order

CARD 2

B	I	N	G	O
Alarm pull station mentioned	Pull, Aim, Squeeze, Sweep	Storage rules mentioned	Contain the fire	Egress (hallways/doors) mentioned
Extinguish if safe	Electrical safety tip	FREE SPACE	Hospital scenario appears	Oxygen safety
Scenario question "What would you do?"	Activate the alarm	Rescue step	Fire extinguisher shown	Small vs. large fire explained
Someone says "safety"	Sprinkler clearance mentioned	RACE is explained	Never leave items in hallway	PASS is explained
Follow procedures	Patient evacuation method	RACE steps in order	Fire in hallway scene	Knowledge check question

CARD 3

B	I	N	G	O
Fire extinguisher shown	RACE is explained	Electrical safety tip	Rescue step	Sprinkler clearance mentioned
Storage rules mentioned	Activate the alarm	FREE SPACE	Scenario question "What would you do?"	Contain the fire
Egress (hallways/doors) mentioned	Pull, Aim, Squeeze, Sweep	Knowledge check question	Extinguish if safe	Oxygen safety
Never leave items in hallway	Hospital scenario appears	RACE steps in order	Fire in hallway scene	Small vs. large fire explained
Someone says "safety"	Alarm pull station mentioned	Follow procedures	Patient evacuation method	PASS is explained

CARD 4

B	I	N	G	O
Rescue step	Storage rules mentioned	Alarm pull station mentioned	PASS is explained	Fire in hallway scene
Activate the alarm	Egress (hallways/doors) mentioned	FREE SPACE	Extinguish if safe	Hospital scenario appears
Pull, Aim, Squeeze, Sweep	Small vs. large fire explained	RACE is explained	Someone says "safety"	Oxygen safety
Sprinkler clearance mentioned	Contain the fire	Scenario question "What would you do?"	Electrical safety tip	Patient evacuation method
Follow procedures	Never leave items in hallway	Knowledge check question	Fire extinguisher shown	RACE steps in order

CARD 5

B	I	N	G	O
Electrical safety tip	Rescue step	Pull, Aim, Squeeze, Sweep	Storage rules mentioned	Activate the alarm
Oxygen safety	RACE is explained	FREE SPACE	Alarm pull station mentioned	Someone says "safety"
Egress (hallways/doors) mentioned	Contain the fire	Scenario question "What would you do?"	Small vs. large fire explained	Extinguish if safe
Fire in hallway scene	Sprinkler clearance mentioned	Hospital scenario appears	PASS is explained	Never leave items in hallway
Patient evacuation method	Fire extinguisher shown	Knowledge check question	RACE steps in order	Follow procedures
